 દશે દશામાં સ્મૃતિ વહે હો દશે દશિ શુભ-લાભ.  
 અભાણ રહી અજ્ઞાનના શાને, અંધકારને પીવો ?  
 કહે બુદ્ધ આંબેડકર કહે, તું થા તારો દીવો;

### Mudra - Dhyamantra : Arthboddh

The circular form of the print is a symbol of seed, uterus or sun. From which the creation begins. The concentrated load is above the source-self. There is a kind of brilliance in the seam posture, but at the same time, it has an open space for enlightenment. The liquidity in posture indicates 'variability' and extended extent; which features Dr. Babasaheb Ambedkar Open University.

**Swadhyayah: Paramam Tapah:** - 'Swadhyayah is the highest penance'. It is the basis of the review. We have to bring the tools and the inner strengths we have to make progress in life and to bring out the noble goals. 'Swadhyayah: Paramam Tapah:' - 'Swadhyaya is the highest penance' And 'jivanpanth ujaal' - There is a common element in both the formulas; which is represented by aflame. Flame-like representation, light, longing, knowledge, and vision.

## Equal Opportunity Committee

On achieving independence, the nation took a conscious decision to undo the social and historic wrongs. For eradication of social disparities, various provisions were made in the Indian Constitution. Our Constitution enshrined democratization as one of the main objectives of education and anticipated the democratic expansion of education to serve social and economic upward mobility. The Indian education system seems to have been oriented only to meet the requirement of one-third of the population, ignoring the interest of the rest. Indeed, historically education was confined to certain sections of the society and did exclude large sections of the population, making it highly undemocratic in matters of access. This exclusion in education created ever expanding disparities that adversely affected the disadvantaged groups of the society.

Since higher education is a tool for social and economic equality, the UGC has been addressing national concerns of access, equality, while ensuring the standard of quality and relevance of education by implementing policies of the Government of India and promoting several schemes and programmes for the disadvantaged groups that would help in eliminating social disparities.

India is potentially rich in human resources. To harvest the same and make the present education system inclusive, the degree of democratization of higher education has to be increased to a large extent.

Further colleges should become more responsive to the needs and constraints of the disadvantaged social groups. Therefore, the UGC has planned to establish Equal Opportunity Centers in University.

### Aims and Objectives

To oversee the effective implementation of policies and programmes for disadvantaged groups, to provide guidance and counselling with respect to academic, financial, social and other matters and to enhance the diversity within the campus.

### Functions

1. To ensure equity and equal opportunity to the community at large in the University and bring social inclusion.
2. To enhance the diversity among the students, teaching and non-teaching staff population and at the same time eliminate the perception of discrimination.
3. To create a socially congenial atmosphere for academic interaction and for the growth of healthy interpersonal relationships among the students coming from various social backgrounds.
4. To make efforts to sensitize the academic community regarding the problems associated with social exclusion as well as aspirations of the marginalized communities.
5. Adoption and implementation of **Harmonized Guidelines and Space Standards for Barrier free Built Environment** for disabled and elderly people, developed in February, 2016 by Ministry of Urban Development, to make the existing buildings barrier free and accessible for persons with Disabilities and the aforesaid guidelines shall also be followed during approval of the plan and detailed project report in cases of new buildings.

6. To look into the grievances of the weaker section of society and suggest amicable solution to their problems especially persons with disability.
7. To disseminate the information related to schemes and programmes for the welfare of the socially weaker section as well as notifications/memoranda, office orders of the Government, or other related agencies / organizations issued from time to time.
8. To prepare barrier free formalities / procedures for admission/ registration of students belonging to the disadvantaged groups of society.
9. To establish coordination with the Gov. and other agencies / organizations
10. To mobilize academic and financial resources to provide assistance to students of the disadvantaged groups.
11. To organize periodic meetings to monitor the progress of different schemes.
