**Dear Learner,**

Welcome to BAOU and the degree programme in Masters of Arts. As you have joined one of the universities imparting education through Open and Distance mode, it is necessary that you are well aware of the university and how it functions. You will also be keen to know in some detail about the programme you have joined and the way in which the university imparts instruction. This Programme Guide gives you the necessary information that will help you in knowing the university and pursuing the programme. We therefore advise you to keep this Programme Guide safely till you complete the Programme. The second part of the Programme Guide gives the syllabus of all the courses that are on offer in this programme. This will help you, among other things, in choosing Discipline Specific Electives, Generic Electives and Skill Enhancement courses suiting your interest, need, and career goals. The Third part of the guide contains a centre list, it helps you to choose the study centre.

Thank You.....

## ABOUT UNIVERSITY

The Dr. Babasaheb Ambedkar Open University (BAOU) was established by the Act No.14 of 1994 passed by the Gujarat State Legislature on 13th April, 1994, and assented to by the Governor of Gujarat on 27th July, 1994. The BAOU is the seventh Open University in the country in terms of their establishment. The University offers 72 programmes with an enrolment of more than 1, 00,000 learners.

The headquarters of the university is located at Ahmedabad. The University has established Regional Centre on the campus of South Gujarat University, Rajkot and has initiated the process of another establishing Regional centre on the campus of North Gujarat University, Patan. The University has more than 507 study centers. It has jurisdiction over the whole state of Gujarat. It is open to all persons irrespective of classes, castes, creed, religion or sex.

The important and distinguishing objectives for BAOU are to:

- Advance and disseminate learning and knowledge by a diversity of means, including use of any communication technology,
- Provide opportunities for higher education to a large segment of the population,
- Promote the educational well-being of the community generally, and \* Encourage the Open University and distance education system in the education pattern of the State.

- **Established :** 13 April 1994

- **Head Quarters:** Ahmedabad

- **Regional Centres:**

**Programmes Offered:** 72 + Learners Enrolled 1,00,000+

## **Objectives:**

Dr. Babasaheb Ambedkar Open University Act clearly specifies its objectives. The important and distinguishing ones for this university are:

### **Learning & Knowledge**

To advance and disseminate learning and knowledge by a diversity of means including use of any communication technology.

### **Higher Education**

To provide the opportunities for higher education to a larger segment of the population.

### **Open Education**

**To encourage the Open University and distance education system in the educational pattern of the State.**

### **Community Development**

To promote the educational well-being of the community generally.

## **MASTER DEGREE PROGRAMME**

The courses offered by the School of Humanities and Social Sciences aim at imparting and generating knowledge on emerging issues and problems of contemporary society, economy and polity. The course structure is choice based, flexible and interdisciplinary. At the end of the course, a student would be equipped with analytical skills, social science theoretical knowledge based on empirical and field-based learning. Thus a student with this kind of learning can look forward to careers in teaching, management, research, policy making, development sector, media and administration. The School offers Master's Degree (MA) programmes. Included in the Master Degree Programmes foundation courses, elective courses and application-oriented courses.

### **1. Introduction**

The School of Humanities and Social Sciences (SHSS) is among the larger schools of studies at the Dr. Babasaheb Ambedkar Open University. SHSS offers academic Masters Programmes in Five (05) disciplines: English, Hindi, Gujarati, and Sociology, and Library and Information Science.

The programmes offered by disciplines relate to core subject areas but at the same time straddle disciplines, in order to enlarge the canvas for academic pursuits. The School also links the development of courses to the ever-expanding socio-economic and political contexts in which School of Humanities and Social Science processes occur.

In view of the fact that BAOU is today the foremost centre of open and distance learning and is adequately equipped with modern educational technologies, the School has consciously tried to assign a significant role to ICT tools in devising the learning programmes. The following features are a hallmark of its programmes:

- Basic programmes in various disciplines at the under-graduate and postgraduate levels have been strengthened with foundation and application-oriented courses.
- Short-term and long-term courses focused on vocational and professional needs.
- Programmes and courses geared to meet the requirements of groups located on the fringes of society.
- Programmes in areas of concern to society with a School of Humanities and Social Science perspective.

The School has expanded its academic activities and has launched a research programme that applies newer methodologies to elicit a more creative response, both from within a discipline and from interdisciplinary interactions.

At this juncture the School is in a position to comprehend the "new" social reality in a better light and give the School of Humanities and Social Sciences a purposeful orientation. The key element in this strategy is the adaptation of Social Science study to the requirements of mass education. Thus modern educational technology including ICT is likely to determine the relevance of School of Humanities and Social Sciences and course development in the next decade. These additions will enrich and make them compatible and appropriate in the light of new developments in the discipline areas.

The Master Programme is conducted by the Faculty of Master Degree Programme, which forms a part of the School of Social Sciences.

## COMPONENTS OF THE MASTER PROGRAMME

Programme

Courses

Blocks

Units

The entire Programme comprising five courses has been divided into blocks and each block has certain number of units. In other words, one unit constitutes the lowest self-contained measure of the course material. The details regarding the unit format are as follows:

- Unit number: the topic covered in the unit
- Objectives
- Introduction
- The theme divided into sections and sub-sections
- Sections containing Self Check Exercises to measure, on your own, your progress
- Summary of the unit

- Answers to Self -Check Exercises
- Keywords
- References and Further Reading

The different units are developed thematically in a logical sequence and graded in such a way as to enable the student to grasp and retain in memory the topics discussed in the units. The main sections are printed in bold capital letters while the sub-sections are shown by lower case bold type faces.

## **STUDY CENTRE**

Each student admitted to the Master Programme will be attached to a Study Centre. At present, there are a number of Study Centres for Master Programme located in different places of the State. Students may opt themselves for enrolment in the nearest convenient Study Centre suitable to them. Every Study Centre is managed by a Coordinator. The students are advised to be in regular contact with their respective Study Centres and interact with the Coordinator as frequently as possible. The facilities provided at the Study Centres normally include the following:

- Counselling sessions in different courses relating to the Master Programme.
- Facilities for practical work in the concerned courses.
- Library facility with basic reading materials related to various aspects of the discipline.
- Audio-Video Programmes specially designed for Master Programme.

## **HOW TO MAKE BEST USE OF STUDY CENTRES**

Education is not imparted through regular class room lectures in an Open University system. Distance education mode is generally followed in the Open University system. This mode of learning is different from the conventional system you are used to. There will be no regular lectures relating to any course. On the other hand, there will be counselling for different courses included in the curriculum. Your Counsellor is available to you at the Study Centre which organises counselling sessions on different topics. 10 counselling sessions are provided for each of the course MSO counselling sessions. The duration of each counselling session is 2 hours

## **SUCCESS STANDARD**

- For the successful completion of the course the student is expected to score minimum 40% of marks in each subject or he has to secure at least 'D' grade in the examination.

## EXAMINATION AND EVALUATION

**Student will be evaluated by two ways:**

- **Continuous (constant) Evaluation: (weight age 30%):** It is obligatory for the students to submit specified number of assignments concerned with each course within the specific time limit before the term-end-examination.
- **Term End Examination: (weight age 70%):** The students are expected to secure their admission of the first and the second year in August/February. After securing the admissions, the first examination will be held in next July/January. It means that they can appear at the examination after the duration of one year.

## INSTRUCTIONAL SYSTEM

The methodology of instruction adopted by the University is different from that in the conventional universities. The Open University system is more learner-oriented in which the learner is an active participant in the teaching-learning process. Most of the instruction is imparted through distance rather than face-to-face communication. The University follows a multi-media approach for instruction. It comprises of

- Self-Learning Material
- Audio-video programmes transmitted through radio and television
- Teleconferencing sessions
- Face-to-face counselling at Study Centres by Academic Counsellors
- Assignments/ Tutorials/ Practical's/ Dissertation/ Project work

### 11.1 Course Material

Course material, in print or e-Book format, is the primary form of instruction. You should concentrate mainly on the course materials that are sent to you in the form of printed books or eBooks. The course material would be sufficient to write assignment

responses and prepare for the Term End Examination (TEE). We would, however, suggest you to read additional material, especially those given in the Suggested Reading section of the course material. The course material prepared by the University is self-learning in nature. Each course is printed in the form of a single book or eBook. The course is divided into a number of Blocks. A eight credit course generally has four to five Blocks. Each Block consists of Units (minimum two to maximum five units). Normally, the Units covered in a Block have a thematic unity. The introduction section of the book provides an overview of the course, its objectives, guidelines for studying the material, etc. The Block introduction explains the coverage of the Block as a whole as well as the coverage of each Unit in that Block. Each Unit is structured in a way to facilitate self-study by you. Each Unit begins with learning Objectives which will give you an idea on what you are expected to learn from the Unit. The Introduction provides an overview of the major theme of the unit. An attempt is made to forge a link with the topics of the previous Units and the topic to be covered in the Unit. This is followed by the main text, which is divided, into various sections and subsections. At the end of each section we have provided questions for self-evaluation under the heading of Check Your Progress. You should attempt this part, as it will help you in assessing the immediate absorption and check your understanding of the topic. Questions in Check Your Progress are for your practice only, and you should not submit answers to these questions to the University for Assessment. Hint answers to the Check Your Progress exercises are provided at the end of the unit. We have not provided the full length answers, as we would like to encourage you to write in your own words and not rely on memorizing the course material. The section Let Us Sum Up/Summary/Conclusion gives a brief account of what has been discussed in the Unit. This summary enables you to recall the main points covered in the Unit. Each unit ends with References which gives the list of books and articles that have been consulted to prepare the unit. In addition, at the end of each Block/Course, a list of Suggested Readings is given. Some of these books listed in this section will be available in the Study Centre library. In order to comprehend the SLMs, read the Units carefully and note down the important points. You can use the space in the margin of the printed pages for making notes and writing your comments. While reading the Units, you may mark the difficult words and look for the meaning of such words in a dictionary. If you still do not understand something, consult your counsellor during the face-to-face sessions at the Study Centre for clarification.

## **11.2 Dispatch of Study Material**

The dispatch of material will start once the online process of registration is complete. You can expect to receive your study material within one month of closing of the registration for the programme. If any course material is missing or you receive wrong or defective material, please address your query to the Regional Centre or write to the Student Services Centre for the students who have applied for digitized version, detailed information is available on the BAOU website.

### **11.3 Academic Counselling:**

In distance education, face-to-face contact between the learners and their academic tutors/ counsellors is an important activity. The purpose of such an interaction is to answer some of your questions and clarify your doubts, which may not be possible through any other means of communication. It is also intended to provide you an opportunity to meet fellow learners. There are experienced academic counsellors at the Study Centres to provide academic counselling and guidance to you in the courses that you have selected for study. The academic counselling sessions for each of the courses will be held at suitable intervals throughout the academic session. Attendance in the academic counselling sessions for theory courses is not compulsory, but we would suggest you to attend these sessions as they may be useful in certain respects, such as to share your views on the subject with teachers and fellow learners, comprehend some of the complex ideas or difficult issues, and get clarifications for any doubts which you would not otherwise try to raise. However, it is compulsory to attend practical sessions for the courses that have practicals or laboratory work. Face-to-face counselling will be provided to you at the Study Centre assigned to you. You should note that the academic counselling sessions will be very different from the usual classroom teaching or lectures. Academic counsellors will not be delivering lectures or speeches. They will try to help you to overcome difficulties, which you face while studying for this programme. In these sessions, you must look into the subject-based difficulties and any other issues arising out of such difficulties. Besides, some of the audio and video material that is available at that time will be played in the counselling sessions. You go to attend the academic counselling sessions, please go through your course material and note down the points to be discussed. Unless you have gone through the Units, there may not be much to discuss. Try to concentrate on relevant and important issues. Try also to understand each other's points of view. Try to get the maximum possible help from your academic counsellors.

## 11.4 Study Centre

To provide effective student support, we have set up a number of Study Centres all over the country. You will be allotted one of these Study Centres taking into consideration your place of residence or work. However, each Study Centre can handle only a limited number of students and despite our best efforts, it may not always be possible to allot the Study Centre of your choice. The particulars regarding the Study Centre to which you are assigned will be communicated to you.

### **A Study Centre will have six major functions:**

**Counselling:** Face-to-face counselling for the courses will be provided at the Study Centres. As mentioned earlier, there will be nine to ten academic counselling sessions for a 6-credit course and six to seven sessions for a 4-credit course. The schedule of the counselling sessions will be communicated to you by the Coordinator of your Study Centre.

**Evaluation of Assignments:** Tutor Marked Assignments (TMA) will be evaluated by the Academic Counsellors appointed for different courses at the Study Centre. These assignments will be returned to you with tutor's comments and marks obtained. These comments will help you in your studies.

**Library:** For each course, some of the books suggested under 'Suggested Readings' will be available in the Study Centre Library. All audio and video tapes are also available in the library.

**Information and Advice:** At the Study Centre, you will get relevant information regarding the courses offered by the University, academic counselling schedules, examination s schedule, etc. You will also get guidance in choosing your elective and application oriented courses.

**Audio-Video Facilities:** The Study Centre is equipped with audio-video facilities to help you make use of the audio and video materials prepared for different courses. Media notes, describing the contents of each programme, will also be available at the Study Centre. This will help you to know the contents of each programme.

**Interaction with Fellow-learners:** The Study Centre gives you an opportunity to interact with fellow learners. Study Centre is the contact point for you. The University cannot send all the communication to all the students individually. All important information is communicated to the Coordinators of the Study Centres and Regional Directors. The Coordinators would display a copy of such important circular/notification on the notice board of the Study Centre for the benefit of all BAOU learners. You are, therefore, advised to get in touch with your Study Centre for day-to-day information about assignments, submission of examination forms, TEE date-sheet, declaration of result, etc.

## 11.5 Omkar e

Omkar-e (Open Matrix Knowledge Advancement Resource for Empowerment), an initiative of Babasaheb Ambedkar Open University, brings such a unique platform for e-learning. Omkar-e focuses on bridging the gap between the students and relevant education with ease of learning. Our students have full freedom for selecting their course, their schedule for study, their place for study and when to appear for exams.

## EVALUATION

The system of evaluation followed by the University is also different from that of conventional universities. BAOU has a multitier system of evaluation. Self-assessment exercises within each unit of study. Continuous evaluation mainly through assignments which are tutor-marked, practical assignments and seminar/ workshops/extended contact programmes, etc. depending on the nature of the course opted for The Term End Examinations. Project/Practical work depending upon the requirement of the course. The evaluation consists of two parts: i) continuous evaluation through assignments, and ii) term end examination. In the final result, all the assignments of a course carry 30% weightage while 70% weightage is given for the Term End Examination (TEE). University follows a grading system for continuous evaluation as well as term-end examination. It is done on a ten point scale using the letter grades as given below: The University has decided to provide numerical marking also in the grade card and award of division for the Bachelor of Arts Degree.

Letter Grade	Numerical Grade	Percentage
O (Outstanding)	10	> 85

A+ (Excellent)	9	75 to < 85
A (Very Good)	8	> 65 to < 75
B+ (Good)	7	> 55 to < 65
B (Above Average)	6	> 50 to < 55
C (Average)	5	> 40 to < 50
D (Pass)	4	> 40
F (Fail)	0	< 40
Ab (Absent)	0	Absent

You are required to score at least 40% marks (Grade D) in both continuous evaluation (assignments) as well as the term-end examination of each course. In the overall computation also you must get at least 40% marks (Grade D) in each course to claim the M.A. degree. The scores of continuous evaluation and term-end examination are not complementary to each other for qualifying a course. Students who do not qualify in the term-end examination are allowed to take up the Term End Examination in the next year. It means you can take the TEE of the first year courses in the second year of your study. But you can appear in the examination for not more than 48 credits in one TEE.

## 12.1 Assignments

Assignments constitute the continuous evaluation. The marks that you secure in the assignments will be counted in your final result. As mentioned earlier, an assignment of a course carries 30% weightage. You are therefore advised to take your assignment seriously. A simple omission on your part may put you in great inconvenience later. For each course of this programme, you have to do two to three Tutor Marked Assignments (TMAs) depending upon the nature of the course. The TMA for each semester can be downloaded from the Student Zone of the University website.

You have to complete the assignment within the due dates specified in the assignment booklet. You will not be allowed to appear for the term-end examination for any course if you do not submit the assignment in time for that course. If you appear in term-end examination, without submitting the assignments, the result of the term-end examination is liable to be cancelled. Ensure that your assignment responses are complete in all respects. Before submission you should ensure that you have answered all the questions in all assignments. Incomplete assignment responses may affect your grades adversely.

The main purpose of TMA is to test your comprehension of the learning materials you receive from us and also to help you get through the courses. The evaluators/academic counsellors after correcting the assignments return them back to you with their comments and marks. The comments will guide you in your study and help in improving it. It is therefore important that you collect the evaluated TMA along with a copy of the assessment sheet containing the comments of the evaluator on your performance. The content provided in the printed course materials should be sufficient for answering the assignments. Please do not worry about the non-availability of extra reading materials for working on the assignments. However, if you have access to other books, you may make use of them. The assignments are designed in such a way as to help you concentrate mainly on the course material and exploit your personal experience.

You have to submit your assignment response sheets to the Coordinator of the Study Centre assigned to you. For your own record, retain a copy of all the assignment responses which you submit to the Coordinator. If you do not get back your duly evaluated tutor marked assignments along with a copy of the assessment sheet containing comments of the evaluator on your assignment within a month after submission, please try to get it personally from your Study Centre. This may help you to improve upon future assignments.

Keep duplicate copies of assignment responses of TMAs submitted to Study Centres. The Student Evaluation Division on demand. Also maintain an account of the corrected assignment responses received by you after evaluation. This will help you to represent your case to the University in case any problem arises. If you do not get a pass grade in any assignment, you have to submit it again. Get fresh assignments from the Student Zone tab of the University website. However, once you get the pass grade in an assignment, you cannot resubmit it for improvement of grade. Assignments are not subject to re-evaluation except for factual errors, if any, committed by the evaluator. The discrepancy noticed by you in the evaluated assignments should be brought to the notice of the Coordinator of the Study Centre, so that the correct score is forwarded by him/her to the Student Evaluation Division at Headquarters.

In case you find that the score indicated in the assignment sheet of your Tutor Marked Assignment has not been correctly reflected or is not entered in your grade card, you are advised to contact the Coordinator of your Study Centre with a request to forward the correct award list to the Student Evaluation Division at the Headquarters.

## 12.2 Term End Examination

As stated earlier, the term-end examination is the major component of the evaluation system and it carries 70% weightage in the final result.

The University conducts term end examinations twice a year i.e., in June and December. You can take the term-end examination (TEE) only after completing one year of study. The TEE for the 1st, 2nd years will be conducted at the end of each year.

A learner is permitted to appear in the TEE, subject to the following conditions:-

- Registration for the courses is valid and not time barred.
- Required number of assignments in the course has been submitted by the due date.
- Minimum time to pursue these courses as per the provision of the programme has been completed.
- Examination fee is paid for all the courses in which the learner is writing the examination.

In the case of non-compliance of any of the above conditions, the result of all such courses is liable to be withheld by the University.

In case you fail to get a pass score (40% marks) in the Term End Examination, you will have to reappear at the next Term End Examination for that course within the total span of the programme.

## SOME USEFUL ADDRESSES

During the course of your study you might require some additional information about rules and regulations as well as how to resolve some of the issues in completing your studies at BAOU. You must know whom to contact for specific information. Here is a list of addresses and contact numbers and emails of offices in the University to contact for specific information or problem.
