FOREIGN LANGUAGES

Certificate / Diploma / Advance Diploma in German, Spanish, Japanese, Chinese, English, French Languages

The objective is to provide knowledge about foreign languages. Language is the most effective media of communication to understand different culture and society. To define the course of this nature one has to understand the requirements and need of Foreign Language speaking manpower in India and other parts of the world. The scope of this course has been designed in such way that its application is inter dependent in all the aspects of the Hospitality and educational industry across the world. Hence the syllabus has been created keeping in view the future needs of this medium...
